Is leg pain cramping your lifestyle? If so, you may have PAD (peripheral artery disease) or venous problems that should not be ignored. This quick, painless, non-invasive screen determines if you are at risk. Risk factors include anyone over the age of 50 with diabetes, a history of smoking or heart disease, high blood pressure or cholesterol, obesity or a family history of PAD or varicose veins. Space is limited and registration is required.

The screening will be on Sat, April 15 from 8am to 12:30pm at the Metro Health Professional Building (2122 Health Drive, Wyoming, MI 49519). To register or for more information, please call (616) 242-4880.

Community Supported Agriculture

Have you heard the term 'Community Supported Agriculture' or 'CSA' in the community lately? This is a popular way for community members to buy local, seasonal food and support a local farm. By purchasing a share, you'll have season-long access to assorted fruits and vegetables which you'll pick up regularly from the farm or distribution location. While there are many great options for CSAs in our community, we wanted to highlight two North End options! See more information about New City Urban Farm and Plainsong Farm below:

New City Urban Farm: Youth Employment & CSA Shares Available

New City Farm (located at 1226 Union Ave NE) is getting ready for another season in 2017! We are on the lookout for neighborhood youth who are interested in a summer job/training experience. We are also selling shares in our CSA farm shares for families looking to eat fresh and local while also supporting the neighborhood. We offer full, half, and quarter shares and accept EBT as a form of payment. To find out more visit our website at www.newcityfarm.org or email Farmer Lance at lancek@newcityneighbors.org.

Plainsong Farm: CSA Shares Available

Plainsong Farm, a new community supported agriculture farm and charitable food ministry in Rockford, is working with North End Community Ministries to ensure all our neighbors have access to fresh fruits and vegetables throughout the growing season. You can support this ministry by joining the farm for yourself, purchasing a full share for donation or simply making a donation in support of this effort. To learn more, go to <http://plainsongfarm.com/>.

North End Wellness Volunteer Opportunities

One way to practice wellness is to give back to your community. If you find yourself with spare time, skills, and a willingness to help out, please check out the volunteer opportunities below!
