

Recap North End Wellness Coalition Meeting, October 18, 2018

1. We named the trail with everyone weighing in! North End Trails

2. Sherri Vainavicz, director, gave us an in depth overview of 2-1-1 services. We learned that 211 is sponsored by United Way and is connected to resources throughout the state. 2-1-1 fields problems and questions and connects inquirers (via phone, text, and email) to thousands of programs. Organizations can register simply with 2-1-1 to have their services included by contacting Sherri and are encouraged to keep their information up to date. 2-1-1 is well staffed so inquirers are efficiently served. Bi-lingual services are available.

3. Project Management:

- North End Trails: see attached
- be nice. and mental health:
